Message from The Chairman

It is with immense pride and pleasure that I share the announcement of JITO CONNECT 2025, which will be hosted by the dynamic and committed JITO Hyderabad Chapter on the 3rd, 4th, and 5th of October 2025, immediately following the Dussehra festivities. The timing has been thoughtfully chosen to align with the holiday period, enabling maximum participation from members across India and around the globe. The Hyderabad team, known for its high energy and innovative approach, is already working with great passion and precision. I am confident that they will deliver a world-class event and create a new benchmark in the legacy of JITO CONNECT.

This grand gathering will not only celebrate the spirit of enterprise but also serve as a powerful platform for business networking, knowledge exchange, and global collaborations. As we often say, “Your Network is Your Net Worth,” and JITO CONNECT is a living testament to that philosophy. It provides the perfect opportunity for entrepreneurs, professionals, industrialists, and youth to come together and build valuable connections that lead to growth and empowerment.

Today, JITO has emerged as a powerful and united organisation, making remarkable contributions to society. Our strength and unity were recently acknowledged at the Navkar Mahamantra Divas, where even Hon’ble Prime Minister Shri Narendra Modi appreciated JITO’s impactful work and inspiring achievements. Such recognition strengthens our resolve to continue walking the path of progress with greater unity and purpose.

I extend my heartfelt best wishes to the Hyderabad Chapter for hosting this landmark event. I also warmly invite every JITO member around the world to participate in JITO CONNECT 2025 and be part of this exceptional journey of growth, vision, and unity.

With Warm Regards,
Prithviraj Kothari
Chairman – JITO Apex

Message from The President

As we stand on the threshold of a new era of entrepreneurial evolution, JITO CONNECT 2025 emerges as a pivotal platform to script the next chapter of our collective journey. Hosted by the dynamic and committed JITO Hyderabad Chapter, this grand event is more than just a gathering — it is a celebration of vision, youth power, and progressive thinking.

At JITO, our foundation rests not just on tradition but on transformational leadership. CONNECT 2025 aims to bring that spirit alive — by creating an environment where thought leaders, innovators, investors, and startups can exchange not only ideas but also build partnerships that define the future. The sessions, networking formats, and thematic engagements are being designed to spark action, not just discussion.

Hyderabad, known as the land of startups and technology, is a befitting stage for this forward-looking edition. I am confident that the local chapter will harness the full energy of the city and deliver a future-forward, globally resonant event.

What excites me most is the shift we are witnessing — from being only community-driven to becoming impact-driven. JITO is no longer just an organisation of members — it is becoming a movement of change-makers. Our members today are disrupting sectors, driving sustainability, and inspiring the next generation.

To all fellow JITO members – whether you are a legacy business family, a budding entrepreneur, a professional, or a youth leader – CONNECT 2025 is designed for you and by you. It's time to show the world the scale of our aspirations and the depth of our unity.

"छू लो वो ऊँचाई जहाँ सितारे भी शरमा जायें,
वलो कुछ ऐसा कर जायें कि जमाना मिसाल दे!"

Let us come together in Hyderabad not just to attend another event — but to co-create an experience that will leave a mark. Let's transform conversations into commitments, and dreams into action.

With Warm Regards,
Vijay Bhandari
President – JITO Apex

Message from The Secretary General

It fills me with immense pride to witness JITO CONNECT 2025 being hosted by our enthusiastic Hyderabad Chapter — a city steeped in history, now scripting the future. This grand event is not merely an annual gathering; it is a powerful sangam of business, values, wisdom, and unity — a Mahakumbh of Jain samaj across the globe.

CONNECT 2025 will see the presence of many esteemed Bhamashahs from the Jain community, whose contributions continue to empower generations. Alongside, a powerful lineup of top-notch speakers will take the stage — thinkers and achievers whose words have the potential to ignite minds and transform lives.

One of the most exciting features is the 600+ business stalls that will not just showcase innovation, but are projected to generate crores worth of real-time business opportunities. This is where vision meets visibility — where collaborations are born, and enterprises are scaled.

This is also a milan — a coming together of all JITO wings: JBN, JPF, JIIF, JITO JOBS, MATRIMONIAL, LADIES & YOUTH — under one umbrella. Whether you're seeking growth, guidance, partnerships, talent, or alliances — remember,

“Miloge toh milega.”

(When we meet, we receive. When we unite, we grow.) Hyderabad is indeed fortunate to host this celebration of enterprise, spirituality, and cultural pride. I encourage every JITO member from every region and every wing to participate wholeheartedly — because this isn't just about attending an event, it's about building the future together.

"When minds unite and hearts align,
The ordinary becomes divine.
Step in with faith, step out with power,
Together, let's rise – this is our hour."

With best wishes to the entire Hyderabad Chapter for their untiring efforts and to every member of our vast JITO family – let us make CONNECT 2025 a landmark we'll all be proud of.

With Warm Regards,
Lalit Dangi
